板材运输注意事项 TRANSPORT & STORAGE TIPS

1.运输注意事项

请用平整的托盘或者木箱打包，运输过程中注意避免碰撞。

When you deliver the HPL panel ,please well pack it by flat pallet or carton, to avoid the damage during transportation.

2.存放环境Environment for Storage

请将板材存放于通风及阴凉处，不得将板材存放于潮湿或暴晒的地方。

Please store the HPL panel in ventilated place, don't put it in the moisture place or explore it in sun.

3.存放方式Method for Storage

请将板材平放于垫有垫板的托盘上，在板材最上面盖上一层垫板，以保持板材的平整度，切忌随意堆放或不使用托盘存放。如不使用的情况下，建议不要拆开打包装。

Please lay the HPL panel on the pallet which has a backing sheet on it,then cover another sheet on the top, to keep the panel in flat.

Don't place the HPL panel without pallet or diagonally. It's highly suggested don't open the package if you don't use the HPL panel now.
